Building safer communities together

Ashford, Marwood, Georgeham and Croyde

Feb 2019 Newsletter

Welcome to Braunton Rural Police's monthly news letter.

Emergency services from across the south west are working together to highlight the unacceptable trend in the number of assaults on their staff whilst on duty, by launching a new campaign #Unacceptable.

Police, ambulance, fire and healthcare staff are regularly subjected to attacks including serious injury, verbal abuse, spitting and biting, and even sexual assault from those they are trying to help.

As well as fellow blue light services, the campaign is being supported by Exeter City Football Club and the Exeter Chiefs who are encouraging the public to get behind the initiative by showing their support on social media.

The #Goal999 social media challenge encourages members of the public to post photographs or videos of their most creative goal. They can nominate friends and family to share their goals too.

Goals don't have to be sport-based, they can include anything positive; whether that be climbing a mountain, painting a landscape or growing vegetables. The winner of the 'most creative' goal could scoop an early Christmas present in the form of a signed shirt by the Exeter Chiefs or Exeter City FC.

Devon and Cornwall Alert

This is a free community messaging system which informs members of the public about crimes and incidents affecting their local area.

Recorded messages are sent by telephone (landline only), email or text message to individuals or groups/ businesses. It is a two-way messaging system which helps us to connect with our communities; it tells people what is happening in their area and allows them to respond directly with any information. The system is designed to allow people who register to choose the type of information they would like to receive concerning crime and anti-social behaviour, witness appeals, crime prevention, community events and local good news. To sign up visit alerts.dc.police.uk or complete the registration form which is available on the Force website, where you can also find more information - www.devon-cornwall.police.uk/our-services.
