Financial regulations are one of the council's three governing policy documents providing procedural guidance for members and officers. Financial regulations must be observed in conjunction with the council's standing orders<sup>1</sup> and any individual financial regulations relating to contracts.

1.2. The council is responsible in law for ensuring that its financial management is adequate and effective and that the council has a sound system of internal control which facilitates the effective exercise of the council's functions, including arrangements for the management of risk.

1.3. The council's accounting control systems must include measures:

- for the timely production of accounts;
- that provide for the safe and efficient safeguarding of public money;
- to prevent and detect inaccuracy and fraud; and
- identifying the duties of officers.

1.4. These financial regulations demonstrate how the council meets these responsibilities and requirements.

1.5. At least once a year, prior to approving the Annual Governance Statement, the council must review the effectiveness of its system of internal control which shall be in accordance with proper practices.

1.6. Deliberate or wilful breach of these Regulations by an employee may give rise to disciplinary proceedings.

1.7. Members of council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of councillor into disrepute.

1.8. The Responsible Financial Officer (RFO) holds a statutory office to be appointed by the council. The Clerk has been appointed as RFO for this council and these regulations will apply accordingly.

1.9. The RFO under the policy direction of the Council shall be responsible for the proper administration of the Council's financial affairs.

2.3. The council shall ensure that there is an adequate and effective system of internal audit of its accounting records, and of its system of internal control in accordance with proper practices. Any officer or member of the council shall make available such documents and records as appear to the council to be necessary for the purpose of the audit and shall, as directed by the council, supply the RFO, internal auditor, or external auditor with such information and explanation as the council considers necessary for that purpose.

2.4. The internal auditor shall be appointed by and shall carry out the work in relation to internal controls required by the council in accordance with proper practices. The Internal Auditor shall be competent and independent of the operations of the Council and shall report to Council in writing, or in person, on a regular basis with a minimum of one annual written report in respects of each financial year. In order to demonstrate objectivity and independence, the internal auditor shall be free from any conflicts of interest and have no involvement in the financial decision making, management or control of the Council.

2.5. The RFO shall make arrangements for the exercise of electors' rights in relation to the accounts including the opportunity to inspect the accounts, books, and vouchers and display or publish any notices and statements of account required by Audit Commission Act 1998, or any superseding legislation, and the Accounts and Audit Regulations.
